JAPANESE TREATY PARLEY SET FOR AUG. 19

GOVERNMENT MODERNIZES A-BOMB PLANT

Costly Improvement Program Underway at Los Alamos, N. M.

(By Associated Press)
WASHINGTON, July 16—The United States is putting its atomic bomb plant on a permanent basis. This grim footnote to the long and fruitless effort to set up world controls over nuclear energy came to light today in an Atomic Energy commission announcement of plans to "modernize and effectively modernize" the war-built plant at Los Alamos, N. M. The first A-bomb was made there in 1945 at Alamogordo, N. M., two years ago today.

The commission announcement said that Carroll L. Tyler, retired army captain and ordnance expert, will be in charge of the Los Alamos laboratory, "where a multi-million dollar improvement program is under way."

Tyler succeeds Col. Herbert C. Gage, army engineer who has been in charge of the commission since it took over the Army's Manhattan project at the start of this year.

Sandia Base Identified

Word of the Los Alamos "modernization" coincided with another disclosure relating to military matters. That was the Army's identification of the secret Sandia base near Albuquerque, N. M., as a unit of the "little-known" armed forces special weapons project.

Virtually nothing is known of the nature of work at this project except that Maj. Gen. Leslie R. Groves, who was director of the Manhattan project when the Army made A-bombs, is associated with it.

The identification of the Sandia base—about which the Army previously had refused to talk at all—was contained in a routine announcement of command changes for various general officers.

The Atomic Energy commission has declined to discuss frequent questions by scientists and public officials that the United States either has or is developing atomic power of tremendously greater power than the five exploded to date.

Green Seen As Dewey's Presidential Partner

SALT LAKE CITY, July 16—Political speculators at the governors' conference speculated today on the possibility of Gov. Dwight H. Green of Illinois as a running mate of Gov. Thomas E. Dewey, should the New Yorker win the Republican presidential nomination.

The speculators based their speculation on the fact that Dewey was in conference twice yesterday with Green. There was no other tidbit to support the supposition that perhaps Dewey was trying to line up the Illinois governor.

Albany, N. Y., sources at the conference were inclined to doubt that Dewey was interested in persuading Green to take the vice-presidential nomination in case the one-time Manhattan racket buster heads the ticket.

Motorist Is Killed

BRONTON, July 16—William Reene, 35, a Detroit, Mich., salesman, was killed early today when his car and a Norfolk & Western freight train collided at a crossing near South Point.

Missing War Bride Turns Up Safe, Tired In New York

(By United Press)
NEW YORK, July 16—Mrs. Faye Ann Crow, 20-year-old British beauty who ran away from her husband, O. home last Thursday, turned up last night in Long Island exhausted from a hitch-hiking jaunt she began with only \$1.50.

Mrs. Crow refused to discuss with reporters her reasons for the trip to the home of her aunt, Mrs. Violet Duncan at Bayside, L. I.

Her 23-year-old husband, Ralph, an ex-Army Air Forces corporal, said at Columbus that, while there had been no quarrel, their inability to set up housekeeping and to remain out of debt had posed major marital problems since she came here from England last February.

Her aunt said she arrived here Monday "tired and upset" after hitch-hiking from Columbus to Steubenville, Pittsburgh, Camden, N. J., Philadelphia and New York.

"She was afraid to sleep on the way," Mrs. Duncan said. "Her shoes were worn out from walking, her nerves frayed from loss of sleep and the anxiety of her experience."

Husband Awaits Letter

Mrs. Duncan said she thought the British girl, who married Crow in England in 1945, acted upon impulse in leaving Columbus Thursday after applying for work at the Columbus Ohio Bell Telephone Co. office.

"She suddenly decided to go to the only person she felt she had found safe and sound was a mix-up," Mrs. Duncan said. "She still is too tired and upset to do much planning, but I believe she'll return to her husband."

The aunt said that Faye Ann went to bed shortly after her arrival, slept all night and almost yesterday, then sent a telegram to her husband advising him of her whereabouts.

Crow's reaction, at Columbus, to the report that his wife had been found safe and sound was a mixture of relief and bewilderment.

Since Mrs. Crow messaged she had written him a letter, he said that he would await its arrival before deciding what to do.

"It all depends," he said, "on what she says in the letter."

Ex-Chief Stoffer Freed From Jail

Ralph N. Stoffer, former Salem police chief who was sentenced to six months in the Portage county jail on a shooting charge, was released from jail Tuesday, 10 days before his sentence was actually served, it was learned by The News today.

Stoffer, who was sentenced to six months in jail and began his term Jan. 25, was charged with shooting firearms, a misdemeanor.

His sentence would have been completed July 25, court records show. No alterations of the sentence have been made by the court, Common Pleas Judge Blake C. Cook told a reporter today.

Stoffer's sentence grew from a shooting incident at Deerfield the morning of May 30, 1946.

Mercantile Firm Head Flays U. S. European Aid

WASHINGTON, July 16—Gen. Robert E. Wood, board chairman of Sears Roebuck & Co., said today that the United States should halt most of its aid to Europe because "western Europe is largely finished."

He said the only solution to the economic problems of that continent is for 10,000,000 to 15,000,000 Germans and 10,000,000 to 15,000,000 British and Dutch to migrate elsewhere.

Wood, prewar head of the American First committee, told the senate-house economic committee that the importance of America's foreign trade has been "very much exaggerated." If exports were cut "materially," he said, the nation's "economy should not crumble."

He added that the United States cannot hope for much reduction in food prices "until we stop feeding Europe."

TURKISH NAVY TO GET TEN U. S. VESSELS

Secretary Marshall Discloses Plan To Sell Merchant Ships

(By Associated Press)
WASHINGTON, July 16—Secretary of State Marshall announced today the United States is taking steps to turn over 10 merchant ships to Turkey as a first move in the new program of strengthening the Turkish armed forces.

Marshall told a press conference that, with the Navy's concurrence, he had asked the Maritime commission to sell Turkey six U. S. government-owned cargo-passenger vessels. The Maritime commission also is being asked to sell four surplus vessels to Turkey.

Marshall was asked whether this represented the first transfer under the \$100,000,000 undertaking to strengthen Turkey, and he replied affirmatively. Marshall noted that the sale of the six cargo-passenger vessels did not involve expenditure of any U. S. funds. They will be paid for in cash.

Medium Size Ships

The six cargo-passenger vessels were described as pre-war built and of medium size. The four surplus craft were built during the war and were not otherwise described.

Marshall also discussed the Greek situation in response to questions. He said that the function of American representatives reported with the Greek army is to determine what is needed to strengthen the army.

In carrying out the military phase of the \$300,000,000 Greek aid program, he explained it is necessary to determine what should be done. The Greek army is engaged in guerrilla warfare, he said, adding this is quite different from normal warfare.

The State department, Marshall said, had very little information as far as the fighting in Greece beyond what has been published in press dispatches. He added that representatives of the United Nations Balkan Inquiry commission are flying to the frontier area, where the fighting is underway.

Last week's mass round up of suspected anti-government Communists in Athens, he said, was carried out without reference to the United States and was purely a function of the sovereign state of Greece.

Standard Oil To Limit Gas, Kerosene Supplies

The Standard Oil Co. of Ohio announced today that in the interest of fair treatment of all its customers it must immediately limit supplies of gasoline and kerosene among its service stations, dealers and distributors to quantities not exceeding their last year's usage.

This is necessary, the company said, "to stop the drain on our inventories caused by current unprecedented demands for all types of finished products and especially by the great increase in the use of heating oils which must now be stored for next winter."

The company said that during the first six months of this year it had produced and purchased more crude oil than at any time in its history. Company officials said the pinch was caused by lack of transportation for crude oil.

Deming Group Attending Pump Meeting In Ashland

G. R. Deming, Walter Deming, Harry Carless, W. H. Walbaum and L. H. Taylor, of the Deming Co., are attending the summer meeting of the National Association of Domestic and Farm Pumping Equipment and Allied Products Manufacturers in Ashland today and tomorrow.

Host to this meeting is the F. E. Myers & Bro. Co., Ashland.

G. R. Deming is a member of the executive board and Walter Deming a member of the general planning committee of the association. Both Carless and Walbaum are on the markets sub-committee, while Taylor is named on the joint publicity committee, (with the Electric Water Systems Council).

Termed as a dual meeting, it will bring together Association members and representatives from utility companies on the Electric Water Systems Council to decide upon a common program for consumer acceptance for running water under pressure.

The Deming Co. is one of the 41 member companies of this association which is comprised of 83 per cent of the total producers of pump and water systems in the United States.

School Janitors Exam Scheduled For Friday

A civil service examination to establish an eligible list of school janitors will be held at City hall at 7:30 p. m. Friday, Roy Harris, commission clerk, announced today.

The commission is establishing a list of eligible janitors at the request of the school board. The list will be good for two years, Harris said.

Several vacancies in the school system are reported by Supt. E. S. Kerr.

Greek Planes Hammer At Trapped Guerrilla Forces

Blames Reds For Greek Invasion

(By Associated Press)
ATHENS, July 16—Greek army planes hammered 2,500 leftist guerrillas trapped on the slopes of Mount Gamila north of Ioannina (Janina) today as three government brigades closed in for a showdown battle, military sources reported.

Army authorities said that precautions also had been taken against any new invasion on Greek soil.

The authorities added that Greek intelligence reports disclosed there were six guerrilla concentration centers—three in Albania and three in Yugoslavia—from which new offensives could be launched.

These reports said the largest of the three in Albania was at Leskovik, and that a hospital for the guerrillas was located there.

Decisive Battle Shapes Up

A source close to the general staff indicated last night that the field of the payoff battle in northwestern Greece probably would be near the village of Yeroplatanos and Vasilikon where, he said, the army had guerrillas surrounded. Vasilikon is only four miles from the Albanian frontier.

War Minister George Stratos reported one brigade moving up from the south had stopped the guerrillas on their push for Ioannina, a city of 20,000 and two others coming down from the north had closed the trap from that direction.

(This indicated that Yeroplatanos and Negradhes might be on the northern and southern bounds of the same trap, which this would be eight miles across.)

Stratos, who has pictured the current guerrilla offensive as an "invasion" aimed at setting up a Communist state, said 20 prisoners had told interrogators contingents of an "international brigade" were among the forces fighting the army.

He added that members of a United Nations Balkan subcommittee had become convinced that the offensive began in Albania. Stratos reported the subcommittee went back to its Salonika headquarters after the battle zone yesterday but would return to Konitsa to talk with prisoners.

Top military authorities said they feared a new large-scale guerrilla operation in the Florina area facing the Yugoslav border. Informed sources said such a move might come in an effort to relieve a large guerrilla force on Mount Grammos which has been taking a severe pummeling for two weeks.

NOW IN NEW YORK, Greek Foreign Minister Constantine Tsaldaris (left), shown with Greek Premier Demetrios Maximos during first joint appearance at Greek parliament, charges that army invading his country from Albania has been trained and equipped by Soviet satellite nations. (International Soundphoto)

CLOSING HITS GM FACTORIES

180,000 Workers To Be Idle For Week: Steel Shortage Blamed

(By Associated Press)
DETROIT, July 15—General Motors Corp. will take a week off from manufacturing passenger cars, starting Monday, because of the steel industry's "disturbed conditions."

GM, which makes roughly half of the nation's automobiles, said its steel supplies were too short to permit full-time operations. It blamed the "coal-mining situation" of early July.

Ultimately 180,000 workers will be laid off from the corporation's assembly lines, a GM spokesman said. The corporation, which employs a total of 265,000 production workers recently reached a weekly output of 30,000 cars.

There were no immediate indications, however, that other major manufacturers of motorcars would follow suit.

GM's president C. E. Wilson announced the shutdown plans.

Plants in Michigan, employing 115,000 workers, will be closed first, and another 65,000 will be laid off as other plants become affected through lack of supplies from feeder plants in Michigan.

Truck operations will not be affected nor will GM's household appliance plants, the corporation said. Truck production recently was curtailed for model changes.

General Motors makes Buick, Chevrolet, Pontiac, Oldsmobile and Cadillac cars.

Study Wage Rates For Women, Minors

(By Associated Press)
COLUMBUS, July 16—The first of a series of sessions looking towards upward revision of minimum wage rates for women and minors employed in certain Ohio industries opens here next Tuesday.

W. J. Rogers, state industrial relations director, today called a meeting on that date of a nine-member board appointed to review wage standards for hotels and restaurants throughout Ohio.

Named last June, the board is composed of three representatives of industry and a like number from labor and the public. It is required to make its recommendations to the director within 60 days after organization.

A preliminary survey of the hotel and restaurant industries in Ohio showed they were paying "considerably more than the minimum wages rates established by the state ten years ago," Rogers said.

"They should be modernized to meet present-day economic conditions," he added.

Rates vary in different localities but in general minimum rates for women and minors employed by hotels and restaurants in cities over 100,000 population are \$10.50 weekly for non-service workers, such as dishwashers, and \$7.50 a week for service help, such as waitresses.

The rates in those respective categories range from \$9 and \$7 weekly in cities between 5,000 and 100,000 population to \$8 and \$6.25 in towns of less than 5,000.

Alliance Plant Gets Job

CLEVELAND, July 16—Steel job towers costing \$1,400,000, for the Chesapeake & Ohio railway's new low level coal pier at Newport News, Va., will be fabricated by the Alliance (O.) Machine Co.

The pier will have four movable towers, mounted on tracks and capable of loading four ships simultaneously. Each tower will be fed by five-foot belt conveyors with a maximum capacity of 1,500 tons an hour.

ELEVEN NATIONS INVITED BY U. S. TO CONFERENCE

Proposal Different From Methods Followed In European Program

(By Associated Press)
WASHINGTON, July 16—The United States announced today it has proposed an 11-nation conference Aug. 19 to begin work on a Japanese peace treaty.

The proposal represents a break with the peace-making methods followed in Europe where Russia and each of the other Big Four powers has an absolute veto.

The conference, under the American proposal, would be held either in Washington or San Francisco. Some of the invited nations might suggest alternative places or dates.

Await Replies

No replies have been received to the proposal which was made, the State department announced, last Friday.

American officials said that because of the availability of diplomatic representatives in Washington it probably would be simpler to arrange this initial conference here, but the American proposal was reported authoritatively to have left the way open for a meeting in San Francisco.

The State department's formal announcement said only that the United States told the other governments that "it would be pleased to be host" if they desire.

American officials, disclosing this today, said they are uncertain whether Russia will accept the proposal, which would have the effect of eliminating a "four veto" conference over every provision going into the treaty.

Two-Thirds Vote Proposal

The proposal would not only take treaty-making out of the hands of four nations and turn it over to 11, but it also would establish a two-thirds voting system among the 11 so that even there no veto would be permitted.

U. S. Ambassador Walter Bedell Smith, on confidential instructions from Secretary of State Marshall, has discussed the new treaty-making plans with Foreign Minister Molotov and Molotov is understood to have indicated dislike of those provisions which would end exclusive domination of the great powers in this field.

However, Molotov agreed to take the matter under consideration and no Russian objection or counter proposal has been received.

The countries invited to the Aug. 19 parley are the members of the Far Eastern commission set up about two years ago to make Allied policy for the Japanese occupation: Australia, Canada, China, France, India, the Netherlands, New Zealand, the Philippines, the United Kingdom, the Soviet union and the United States.

These 11 were invited, a high State department official said, because the American government is determined that the Japanese peace treaty work from the outset will be carried on by the largest possible number of qualified nations.

In a formal announcement of the conference call, the State department said it had been proposed that deputy foreign ministers and experts participate in the initial meeting because the ministers themselves are tied down with other commitments.

The department also said it is the view of this country that nations other than the invited 11 should be given an opportunity to present their ideas during the drafting of the treaty. After the draft has reached "a sufficiently advanced stage," the department suggested, it should be considered by a general conference of all nations who were at war with Japan.

Vacations Interrupt Council Schedule

Lacking a quorum, city council was forced to disperse with its scheduled meeting Tuesday evening.

Consequently council will hold its second July meeting next Tuesday at council chamber.

Councilman Arch Wentz, Ned Masse and Harold Asty attended, but Charles Cornwall, Fred Blevins, Carl Abe and Harry Vincent are vacationing.

President Fred Koehnrich set the new date.

Secretary Supports Immigrant Proposal

(By United Press)
WASHINGTON, July 16—Secretary of State Marshall, urging the admission of 400,000 European war refugees, was interrupted in his testimony today by the suggestion that the United States already has absorbed its share of aliens.

Marshall retorted: "That's the significance of the Statue of Liberty."

Rep. Gossert (D-Tex.) made the observation that brought the reply as Marshall, Secretary of War Patterson and Secretary of Commerce Harriman asked a house judiciary subcommittee to approve legislation permitting the entry of displaced persons.

Marshall testified he would be willing to see congress pass this year a measure to admit only 100,000 refugees—the proposed legislation would provide for entry of 100,000 a year for four years.

"Better Than Nothing"

"It would be better than nothing," Marshall said, adding that admission of a "substantial number" would partly remove a source of "conflict and friction" with Russia.

In another statement, the Catholic Association for International Peace said that "these people have fought or suffered for their ideals and continue to suffer. They have a right of refuge—a right that has been recognized as a sacrosanct in the history and culture of the United States."

Marshall told a house judiciary subcommittee that to accede to repeated Russian demands and forcibly return "these allies of ours" to their prewar homes would violate both American tradition and principles adopted by the United Nations general assembly.

But as long as they remain in Germany and until they can strike new roots elsewhere in friendly soil, the displaced persons will remain a "constant source of international friction," Marshall said.

His testimony was prepared in support of a bill to admit 400,000 of the refugees into the United States as immigrants over a four year period.

Congressional leaders have virtually ruled out any chance for enactment of the measure before next week's scheduled adjournment.

Hays Pleads Not Guilty To Office Misconduct

Belmont County Commissioner Belmont County Commissioner Wayne L. Hays today pleaded innocent to a charge of misconduct in office.

Justice of the Peace C. N. Bradfield set bond at \$1,000 and a preliminary hearing date for July 24.

Hays, a former Democratic state senator from this district, also served as mayor of Flushing, O.

Former County Road Superintendent Frank Spontaneous charged Hays ordered four county infirmaries employees and two inmates to work on his Harrison county farm June 24 and 25.

Hays explained that a reciprocal agreement was made with the county home for the use of machinery and men on their farms. He said that previous to the incident a tractor and some of his men were used at the infirmary farm to do plowing.

Plant Workers Vacation

LISBON, July 16—Forty some employees of the Wright Industries here are enjoying a week's vacation, with the majority of the men scheduled to return to work Monday.

R. Thomas & Sons Co. also announced a vacation schedule for 120 of its employees beginning next week.

60,000,000 Jobs, So What?

Some years ago Henry Wallace wrote a book about the plans the government would have to adopt to assure 60,000,000 jobs by 1950. That goal has been reached sooner than he anticipated and without some of the measures he advocated, for, as of last month, national civilian employment was 60,055,000 jobs.

Of themselves, soaring employment figures aren't the measure of a nation's economic stability. Russia has fuller employment than we do, yet, according to the U. S. labor department, food prices there have gone up 166 per cent since last September while wages have risen only 25 percent.

The goal Wallace envisioned still stands, however. Job graphs can drop as well as rise and 1950 is a good country mile down the road. While traveling longitudinally in the next 30 months, the line on the chart may also cover quite a bit of distance vertically.

Poor Land, Poor People

Illinois' Little Egypt, comprising 16 counties near the confluence of the Ohio and Mississippi rivers, once was one of the most fabulously fertile sections of the nation. However, failure to control erosion and floods has sent its rich soil churning down the muddy rivers.

In a survey of Little Egypt, economists find that 77 of every 1,000 residents are receiving some type of public assistance, compared with a state average of 32. In one county the ratio was 150 per 1,000. With a view to reclaiming this land, the state has allocated \$25,000 for an investigation and its agricultural station has conducted some encouraging demonstrations. Agonomists say part, but not all, of Little Egypt probably can be made fertile again.

What has happened to Little Egypt is happening on a far vaster scale. The millions of dollars of loss incurred in the recent Mississippi floods don't take into account the thousands of tons of soil swept away, and that was the most valuable item lost. Its value cannot be computed in dollars. Until a bold conservation program is set up, these floods will recur. A land that can't control its flood waters eventually will be a poor land.

The Way Russia Wants It

Interviewed in London, Arthur Hays Sulzberger, New York Times publisher, says we're wasting our time trying to lift Russia's iron curtain. He says: "I would not exchange ideas beyond that curtain. I would not exchange goods, I would not do business in any way, shape, form or manner."

This is the direction in which our Russian policy is developing. It can be no other way because Russia wants it no other way.

There is no reason why our oil should go to Russia, even if it amounts to less annually than a day's production of inferior crude. There is no reason why we should continue to buy gold from Russia. We have more gold than we know what to do with. We can do our best to aid European reconstruction without Russia and her satellites. By the aura of hostility and suspicion she casts over all her dealings with the western world, Russia eventually can have her iron curtain hermetically sealed—with our assistance.

Brave New World

Concluding its first year, the Committee To Frame a World Constitution reports it has assembled 4,000 pages of data and is ready to begin publishing a monthly magazine. Its chairman, Dr. Robert M. Hutchins, says: "We have at most three years for our civilization to dedicate itself to the proposition that men are men before they are Englishmen, businessmen, workmen or Americans."

The committee believes what the world needs is a central government with jurisdiction over every nation—not a league of individual sovereign states. In making a blueprint for world order, the committee is conducting detailed surveys of the interior structures of all major nations and hopes to have a world charter ready in the fall.

When the charter is ready is when the real work will start. If the committee has found a way to eliminate a nation's nationalism, it can turn to simple matters like the trisection of the angle, the quadrature of the circle, the elixir of life, perpetual motion and the transmutation of lead to gold.

Votes For Negroes

A federal court has ruled that Negroes are entitled to vote in the South Carolina Democratic primaries. It has decided no political party has a right to set itself up as a private organization that can stipulate who's entitled to membership.

In view of the rights guaranteed by the constitution, the court couldn't have ruled otherwise. It is a decision which will not sit well with many in the south but it's a ruling thoughtful southern leaders knew was coming. They knew a society with a group which to all intents and purposes was voteless couldn't be healthy. They know the south must solve this problem, assuring votes for all who are qualified, whether white or black.

Mrs. H. S. Harris and Mrs. Elma Farmer of Salem and Mr. and Mrs. Bert Jenkins of Pittsburgh motored to Cleveland Thursday.

Mary and Abby Blackburn of Danville, Ind., and Alice Blackburn of Westfield are visiting Dr. and Mrs. W. J. Blackburn, Salem-Winona rd.

Miss Judith Brooks entertained at bridge and supper Wednesday at her home, Highland Ave. Prizes were awarded to Mrs. W. H. Dunn and Miss Helen Greiner.

Mr. and Mrs. Eugene Snipes and son have returned from Elyria where they attended the grand encampment of Ohio Patriarchs Militant.

Mr. and Mrs. J. D. Primm entertained club associates Wednesday at their home on Superior Ave. High score prize was awarded to Mr. and Mrs. Arthur Brian.

Miss Nellie Buck entertained eight girls at a slumber party Tuesday at her home on Garfield Ave.

Mr. and Mrs. George Campbell and daughter, Martha, of McKinley Ave. entertained a party of relatives at dinner Wednesday.

Mrs. Frank Leach entertained members of the Homemaker's club Wednesday at her home, McKinley Heights. Miss Audrey Simpson sang.

Lloyd Yoder of Salem, captain of the Carnegie Tech football eleven last fall, rated outstanding tackle of the year, is considering an offer from the Olympic club in San Francisco, which plays a college schedule.

The Stars Say

For Thursday, July 17

By GENEVIEVE KEMBLE

STELLAR indication points to an expansive, enthusiastic and determined concentration of forces, faculties and energies on a well-planned program for placing the affairs, business, professional, social and domestic, on a substantial and enduring basis.

Finances, credit, enhanced opportunities for personal as well as public prestige and popularity, are in sight, heightened by an astute and eager vision for progress and happiness. Fresh environs and new contracts and plans are in order, but keep alert to treachery and snares.

For the Birthday

Those whose birthday it is may prepare for a year in which they should grasp excellent openings for advancement, promotion, preferment with pleasant relations in all contacts, business, professional, cultural and romantic life.

The progressive urge and aspirations are attributable to a quickened state of energies, in which a brilliant idea or ambitious plan might encourage change, travel, renewed contracts or fresh programs of expansive and far-reaching promise.

The domestic, social and affectional life are concerned, and promise much happiness and gratification. But in all contacts keep alert to undercurrents of subtlety, craft, intrigue and deception.

A child born on this day has excellent prospects of a successful and happy career, with fine mentality and expansive ideals. A subtle tendency to trickiness or expediency should be "smoked out" early.

An Illinois judge sentenced a man because he was habitually lazy. Just sent him up for a nice stretch.

A bill in Congress would prohibit misrepresentation of furs. It's bad enough that the animals are skinned.

Loss of sleep ruins complexion, says a beauty expert. Like leaving a compact at home.

Cutting remarks have a bad habit of severing

GUARDING YOUR HEALTH

Symptoms Are Tale-Bearers

BY HERMAN N. BUNDESEN, M.D.
SYMPTOMS are like tale-bearers. Just as an informer puts the finger on a law-breaker, so symptoms give evidence of diseased conditions.

But sometimes they are like gossip, too, bearing witness against so many different culprits that it is impossible to pick the right one by consulting symptoms alone.

Hoarseness is one of these. It definitely indicates trouble in the larynx or voice-box, but alone it does little to tell exactly what the trouble is. Thus, according to Dr. Louis H. Clerf, of Philadelphia, Pennsylvania, to determine the cause of hoarseness, it is necessary to examine the larynx.

Conditions Which Cause It
Hoarseness may be the only

symptom of tuberculosis of the lungs, cancer of one of the bronchi or one of the tubes in the lungs, or cancer in the upper part of the esophagus which leads from the mouth to the stomach.

It may also develop in certain conditions affecting the blood, in allergy or sensitivity to foods or other substances, and it may occur in heart, blood vessel and kidney disorders, as well as in conditions affecting the nervous system.

It may also develop from disorders affecting the larynx directly, such as an acute or chronic inflammation and tumors.

Thus, when hoarseness develops which continues for a period of two or more weeks, it is necessary that a complete and careful study of the patient be carried out promptly.

This includes X-ray examination of the chest and studies of the blood and the stomach.

In addition, direct examination of the larynx itself with a laryngoscope is advisable.

In many instances, in order to make a diagnosis, it may be necessary that a bit of the tissue from the lining membrane of the larynx be cut off. This tissue is then examined under the microscope.

Cancer of the Larynx
Cancer of the larynx produces hoarseness as an early symptom. Since such cancers develop slowly and spread only after they have been present for some time, early recognition is a great boon, giving opportunity for proper treatment which will result in a cure in from 80 per cent to 90 per cent of the cases.

Unfortunately, many patients with hoarseness fail to heed this warning sign and do not have treatment until the cancer has progressed to the point where a serious operation with removal of the larynx is required.

Other causes for continued hoarseness are syphilis and tuberculosis of the larynx. Syphilis of the larynx, according to Dr. Clerf, is rather rare. Both of these conditions may be diagnosed by examination of the larynx.

Bear in mind that when hoarseness has been present for more

Ohio Republican Rally On July 31

COLUMBUS, July 16.—Ohio Republicans circled the "July 31" date on their calendars today and launched preparations for the party's biggest state-wide rally in years, one they expect will find U. S. Senator Robert A. Taft coming out officially for the GOP's 1948 presidential nomination.

State Chairman Fred H. Johnson and A. A. Hoopingarner, public relations director at state headquarters, said 1,000 party chieftains and organization workers would attend, abetted by most of the Buckeye congressional delegation.

Also invited are a host of Washington political writers.

Although broadcast details still are incomplete, Hoopingarner said Taft would climax the one-day, meeting's dinner session with a nationwide radio address.

Both U. S. Senator John W. Bricker and Gov. Thomas J. Herbert are scheduled to speak during the banquet.

Routes 224 and 44 Surface Job Goes to Cleveland

Daniel Davis, a Cleveland contractor, has submitted the low bid of \$65,944 for bituminous treatment of about 18 miles of Routes 224 and 44 in Mahoning, Portage and Stark counties, the state highway department announced today.

The estimate for the job was \$68,740.

Priest Dies Suddenly

FREMONT, July 16.—Rev. Gerard Gerrity, 34, assistant pastor of Our Lady of Consolation parish, Carey, O., died Tuesday of a heart attack while celebrating mass at St. Ann's church here.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th st., New York City.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dishing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 6 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion so you can feel really good again.

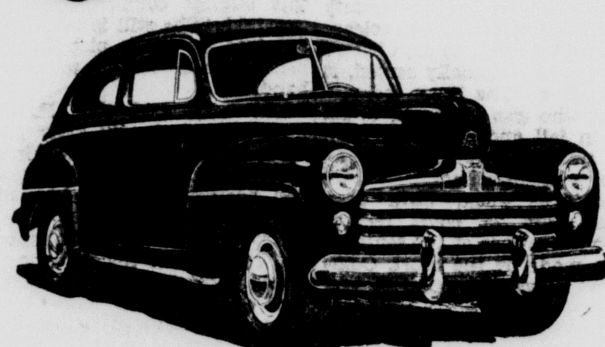

Buy Carter's Pills today. "Unblock" your intestinal tract for real relief from indigestion.

Columbiana Group Told of Boys Club

COLUMBIANA, July 16.—George Brown, member of the Youngstown board of education, druggist on the east side, and noted for his work among boys and young men, told Columbiana Rotarians Monday evening of the growth of the boys club idea in Youngstown.

In 1933, he started a boys' club in the basement of his store, principally to keep the boys occupied and off the street, and there are now 18 such clubs on the east side alone.

Added by students of Youngstown college, there are basketball and baseball leagues and debating teams. A high school baseball league for the Mahoning valley is now being organized.

Past President Russell Lindsay presided in the absence of the president and vice president, who are in Canada on a fishing trip.

A number of members of the Kiwanis club were in Steubenville Tuesday, attending the annual outing tendered clubs of the Youth division by the Steubenville club. Following its dinner at Bundy's restaurant Monday evening, the Columbiana club enjoyed outdoor activities at Firestone park.

Cub Scouts To Picnic

Parents of Cub Scout Pack 17 met Monday evening at the home of Mr. and Mrs. Paul Chaddock, south of town, and arranged for an all-day picnic of the scouts at Firestone park Saturday, Aug. 2. It will be a camping picnic, the scouts to pitch their tents and prepare their own meals.

Billy and Jane Park of Orlando, Fla., are visiting their cousins, Jimmie and Marilyn Jane Nolan, N. Main st.

The Newton Falls Merchants will be the opponents of the Columbiana Youngs at Firestone park Sunday afternoon.

J. A. Champagne of Newark, N. J., is visiting his sister-in-law, Mrs. Clark Pfau.

Wide Awake class of Grace Evangelical and Reformed church will meet in the church parlors Thursday evening.

Pick Newspaperman

COLUMBUS, July 16.—Jack LaVerha, former Cleveland newspaperman and public relations representative, today was named manager and public relations director of the Columbus Philharmonic orchestra, succeeding Norman Stuckey, of Washington, D. C., who has resigned.

'ONE OF BEST'

Salem Methodists Proud Of Their Symphonette Orchestra

Composed of outstanding musicians from Salem and vicinity, the Salem Methodist church symphonette is a group of which the church is extremely proud.

In addition to the local members, the orchestra includes some of the best known musicians from almost all surrounding communities. Church board members think the aggregation is the best Sunday school orchestra in the country.

Twenty musicians now are included in the symphonette, which plays for the church school each Sunday morning.

Sleeman is Conductor

Harold Sleeman, violinist and concertmeister, is from Lisbon. He has been associated with the Columbiana county symphony since its organization and serves as conductor.

William Rankin, co-conductor of the Columbiana county symphony, is head of the flute section. He is from Leetonia.

Misses Polly Rankin and Barbara Rose, both of Leetonia, play violin and flute, respectively.

A Washingtonville representative in the symphonette is Oboe Player David Frantz.

Two trumpet players, William and Glenn Jackson, are Leetonians.

Salem members of the group include Lester Baldinger, Nelson Bailey, William Keck, Wade McGhee and Dale Wyckoff, clarinets; Mrs. William Wright, trumpet; Don Harvey and Dan Holloway, trombones; Richard Broomall, tenor saxophone; Mrs. Carl Beecher, cello; George Chappell, string bass, and Robert Hostetler, French horn.

Mr. and Mrs. Donald J. Dusenberry of Winona are also members. Mrs. Dusenberry is pianist for the group.

HOMEWORTH

Rev. and Mrs. I. R. Beery attended the wedding of a grandson at Hastings, Neb. last week.

Walter Stoffer, Mrs. Ida Heestand and Mr. and Mrs. J. N. Baker visited Mr. and Mrs. Robert Springer of R. D. 4, Alliance, recently.

Recent guests at the home of Rena Thomas were Mr. and Mrs. Earl Thomas of Chicago, Mr. and Mrs. Lewis Bossert of Alliance and Mrs. James Penman of Adena.

Mr. and Mrs. George Schneider of

Wooster were recent guests of relatives here.

Mr. and Mrs. Hugh Wallace of Zanesville visited Mr. and Mrs. D. F. Hahn last week.

A number of our people attended the funeral services for Donald E. Herren, 56, of Lakewood Saturday. He was the son of Samuel D. and Winona Potts Herren and was born and reared in Homeworth. Surviving are his wife, Nellie, three daughters, a sister, and his parents.

Wood alcohol is known to chemists as mehtanol.

SOCIAL NOTES

Belan-Sturgeon Vows Exchanged Saturday

Rev. C. F. Evans read the double ring ceremony, when Mary Cox Belan, daughter of Mrs. Rosa Cox of Leetonia, and Franklin D. Sturgeon, son of Thomas Sturgeon, R. D. Salem, and the late Leona Sturgeon, were married at 2 p. m. Saturday at his home, E. Seventh st.

The bride used white accessories and a corsage of white carnations with moss green suit.

Mr. and Mrs. Paul Russell of Leetonia were the attendants. Mrs. Russell appeared in a black dress and wore a corsage of white carnations.

Mrs. Sturgeon is a graduate of Leetonia High school.

Mr. Sturgeon graduated from Greenford High school and is attending Ohio university, Athens.

Mrs. Sturgeon is with her mother at Leetonia and later will join her husband at Athens.

Birthday Party Held For Kenneth Miller

Mrs. Russell Miller delightfully entertained a group of children Tuesday afternoon at her home, E. Fourth st., to celebrate the sixth birthday anniversary of her son, Kenneth.

Game prizes were won by Janet Call, Arthur Vesey, "Spike" Hoppes, Gerald Guappone and Carol Lodge.

Pink tins were favored in the beautifully appointed tables set on the lawn, and novelty favors were given.

Mrs. Miller was assisted in serving by Mrs. Wallace Duncan and Mrs. Bessie Duncan.

Guests were Janet and Sandra Call, Dick, Sally and Arthur Vesey, Melvin Doie, "Spike" Hoppes, Dell Yengling, Janice Calkins, Jimmy Joe Miller, Timmy Sanders, Carol and Eileen Lodge and Gerald Guappone.

Presbyterian Auxiliary Program Is Given

Mrs. Sarah Ashead conducted the devotions and gave the Year book of Prayer at a meeting of the Anne B. Gilbert auxiliary of the Presbyterian church Tuesday evening at the church.

Miss Martha Campbell gave a talk relating to "Social Education." She told the story of a nurse's experience in establishing a Korean hospital.

The August meeting has been cancelled.

A coverdish supper is planned for Sept. 16.

Just Us Club Meets With Mrs. Haggerty

On Tuesday evening Mrs. Fred Haggerty of Walnut st. entertained members of the Just Us club at her home.

High score honors in the "500" games were claimed by Mrs. Anthony Stokovic and Mrs. John Reilly. Lunch was served.

Guests were Mrs. Raymond Moran of Chicago; Mrs. Kenneth Felger and Mrs. Russell Mankin of East Palestine and Mrs. Reilly of Salem.

A meeting in one week will be at the home of Mrs. Edward Lottman, Prospect st.

Farr Class Has Dinner At Snelvel Home

With Mrs. Charles Snelvel, Mrs. John Greenlee and Miss Ethel Beardmore associate hostesses, members of the Farr class of the Christian church and their families enjoyed a coverdish dinner Tuesday evening at the Snelvel home, Lisbon rd. Places were arranged for 21.

On Aug. 19, the class will hold a meeting at the Greenlee home, W. State st., with Mrs. James Jackson and Mrs. Charles Crawford associate hostesses.

Card Party Enjoyed By D. of U. V.

Seven tables of cards were in play at a benefit party given by Mary Ellet tent, Daughters of Union Veterans, Tuesday evening in G. A. R. hall.

Mrs. Arnold Green won the bridge prize, while Mrs. Raymond Lowry received the "500" prize. Miss Elizabeth Stewart won a special prize.

Lunch was served. Mrs. Harriet Schermerhorn of Cleveland was an out of town guest.

Mrs. Harding Hostess

Honoring the birthday anniversary of her mother, Mrs. Walter Blair, Mrs. Glenn Harding entertained a group of friends from East Palestine and Salem Saturday afternoon at her home, Homewood ave.

Bouquets of flowers were arranged throughout the home and on the table for a three-course luncheon.

The hostess was aided by her sisters, Mrs. Clyde Lewis and Mrs. Joseph Dornon of Lisbon and Mrs. Rex Reich of Salem.

Trinity Class Plans Park Outing Monday

Members of the Willing Workers class of Holy Trinity Lutheran church will hold a picnic Monday afternoon at Firestone park, Columbiana.

The group will leave at 3 and 5:30 p. m. from the home of their teacher, Mrs. A. J. McDaniel, Hawley ave.

Union Vets Auxiliary To Meet Thursday

Mr. and Mrs. George Votaw of 889 Hawley ave. will be hosts to members of the Sons of Union Veterans auxiliary at 8 p. m. Thursday at their home.

Fifty Attend Loudon Family Reunion

Fifty relatives from Salem, Canton, Lisbon, Warren, Hanoverston, Sebring, Youngstown, Columbus and New Garden attended the annual reunion of the Loudon family Sunday at Firestone park, Columbiana.

A picnic dinner was followed by a business session.

Officers are: President, Don Humphrey of New Garden; vice president, Albert Loudon of Hanoverston; secretary-treasurer, Bernice Stoudt of New Garden.

Table committee is comprised of Mr. and Mrs. Duane Loudon of Sebring; Mr. and Mrs. Jay Reagle of East Palestine and Mr. and Mrs. Walter Blythe of Hanoverston.

The 1948 reunion will be on the second Sunday in July.

Baptist Group Enjoys Supper At Park

A coverdish supper, games and group singing helped make the occasion enjoyable when the Women's Missionary society of the Baptist church held a picnic meeting Tuesday evening in Centennial park.

More than 40 members and their families attended.

The next meeting will be held Sept. 9.

Marriage Licenses

Charles Edward Tittle, 21, mill worker, and Kathryn Jacqueline Sheppard, 19, East Liverpool.

James G. Cecil, Jr., 25, diner proprietor, and Virginia R. Petty, 21, Wellsville.

Homer J. Moore, 20, potter, and Geraldine Wright, 18, East Liverpool.

William Hughes, 26, potter, and Betty Fishback, 19, Wellsville.

Mrs. William Irvine of Toronto, Canada, who spent two weeks with her sister and husband, Mr. and Mrs. Arthur Short of W. Eighth st., left Tuesday evening for Youngstown, where she will visit friends a few days before returning home.

Misses Bessie Parks, Mary Jackson, Verda Roller and Victoria Burton, employees at the McCulloch store, are on vacation.

Mrs. L. D. Beardmore of Cleveland st. went to Columbus Tuesday to be with her daughter, Mrs. James C. Britt and family.

Mr. and Mrs. James Schaeffer of Ravenna concluded a short visit with relatives here Tuesday.

Irving Mcraill, clerk at the post-

Miss Ruth Ellen Stamp, book-

Student Nurses Are Heard At Quota Club Meeting

Marilyn Welsh, Mary Jane Sprout, Eleanor Barclay and Olivia Vitlari, student nurses at Salem City hospital, entertained with vocal selections at a dinner meeting of the Quota club Tuesday evening in the Memorial building.

They were accompanied by Thelma O'Neil, another student nurse, who offered piano solos.

Mrs. Elizabeth Baker, Miss Hazel Linn, Mrs. Helen Eberwein composed the committee in charge. The entertainers were presented by Mrs. Eberwein.

The club will have a picnic dinner Tuesday evening, July 29, at the home of Mrs. Anthony Wolina, Newgarden rd.

VFW Auxiliary To Hold 25th Anniversary Dinner

Plans have been completed by Gold Star auxiliary, Veterans of Foreign Wars, for its 25th anniversary dinner Sunday evening, July 27, at the hall.

Mrs. Blanche Rice and Mrs. Donald Johnston are in charge of arrangements.

Four candidates were initiated and five applications for membership received at a meeting Monday evening. Thirty-five members attended.

Mrs. Russell Lottman, Mrs. Hank August and Mrs. Carl DeLand, delegates to the department convention in Columbus, gave their report.

Mrs. Frank Ludlam of Wellsville spent today with her daughters, Mrs. Harold Close and Mrs. Louis Zeigler of Mill st.

Mr. and Mrs. Harry Lehman, who moved here from New Lexington, are living at the Metzger hotel.

Mrs. Julia Pozniko and daughter, Dorothy, Euclid st., spent today in Youngstown.

Mrs. Bessie Reed is ill at the home of her sister, Mrs. Agnes Paxson, N. Lundy ave., and E. Third st.

WE, THE WOMEN

By RUTH MILLETT
"HOW to Make Your House a Home" is the title of a new book for young homemakers giving sound advice on how to buy and arrange furniture, choose color schemes, sew slip-covers, mix paint, etc.

The book ought to come in handy to any young wife, but she shouldn't be misled by the title. Too many of today's homemakers go on the theory that a house is a home if it looks as though it came right out of the pages of a home decoration magazine.

But a woman has to be a lot more than a clever amateur decorator to turn a house into a home.

First of all she has to make sure she isn't turning a house into just her idea of a home. If the house is also going to be a home for her husband and children, their needs and ideas and preferences should be considered.

Also, if it is to be a real home to her husband it ought to be a

Camp Reunion Held At Coffee Home

Mr. and Mrs. L. F. Coffee, R. D. 2, Salem, were hosts to about 45 members of the Camp family at a reunion Sunday.

A picnic dinner and social time was enjoyed. Guests were present from Columbiana, Salem, Beloit and East Rochester.

Mrs. G. G. Russell and sons, Robert and Richard, of Cincinnati, and Mrs. John Morton and son, Billy, of Washington, D. C., are visiting their parents, Mr. and Mrs. R. W. Simpson of Franklin st.

Chester Lentz and family of W. State st. have returned from a fishing trip to Canada.

Rev. and Mrs. Larkin Hadley of Deerfield were Salem visitors Tuesday.

Mrs. Joseph Mayhew of Benton rd. is confined to her home by illness.

place where he can do as he pleases. Plenty of husbands get bossed around like little boys in the homes they are supporting. "I wish you wouldn't put your feet on the davenport, Joe."

Must Have Privacy
A house that is a home also affords as much privacy as is possible to every member of the family.

And the woman who asks sweetly, "Who was that, dear?" every time a member of the family gets a telephone call very likely breaks other rules for respecting privacy.

Then, too, a husband ought to feel free to bring his friends home. From the way so many husbands ask meekly, "Do you mind if I invite Jim out?" and so many wives announce with finality, "The Joneses are coming over this evening," it looks as if a lot of women overlook an important fact.

Mrs. L. C. Bauman of Sandusky and Mrs. Agnes Glaeser of New York City are visiting their parents, Mr. and Mrs. Carlos Schellart of Penn ave.

Dr. and Mrs. Ralph Vance and daughter, Suzanne, of Aetna st., have gone to California on a vacation trip.

Mrs. Myrtle Grove Brown of Toledo has concluded a visit with Mrs. Harvey Lottman and family of Franklin st.

WEAK NERVOUS

cranky every month?
Are you troubled by distress of female functional periodic disturbances? Does this make you feel so tired, high-strung, nervous—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Pinkham's Compound is made especially for women. It also has what doctors call a stomachic tonic effect! Any druggist.

Princess, Fiance Dance Until Wee Small Hours

EDINBURGH, Scotland, July 16—Princess Elizabeth and her fiance, Lt. Philip Mountbatten, danced until 3 a. m. today and drove home to Holyrood castle while milk wagons clattered in the streets.

Here with the royal family for a week's visit, the couple went to a public dance for the benefit of the National Association of Girl's Clubs.

After only a few hours sleep the princess received the freedom of the city of Edinburgh at a public ceremony. Mountbatten attended the ceremony with the princess, who looked fresh and untired.

Mr. and Mrs. Clarence Snyder of Cincinnati have concluded a visit with relatives here.

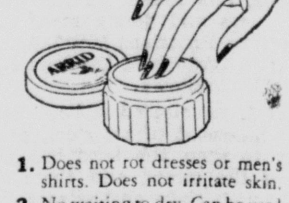

Miss Erma Hoopes of E. Third st. left today for Berea and Cleveland to spend a few days with relatives.

Miss Lea Oertel of Damascus rd. is spending two weeks with relatives in Akron.

SCHWARTZ'S

Controls Extended On Exports, Imports

WASHINGTON, July 16.—President Truman today signed legislation extending export-import controls over scarce commodities until next Feb. 29 and said some foreign trade supervision will be needed even after then.

These controls, embodied in the Second War Powers act, originally expired June 30, but were extended for 15 days by a stop-gap congressional resolution.

In a statement, Mr. Truman said the administration will "use these controls sparingly and dispense with them as soon as conditions permit."

It ends present controls on Manila and other types of fiber and cordage but retains import controls on rice and rice products.

Other materials on which emergency wartime controls are continued include tin and tin products, except for imports of tin ores and concentrates; materials required for export to aid foreign production of products needed in the United States; antimony, fats and oils, petroleum and petroleum products.

The legislation continues the life of the Office of Defense Transportation to next Feb. 29, with its powers to allocate transportation equipment and facilities, including those of rail carriers.

It also provides authority for directing the delivery abroad of goods required for production abroad of commodities needed in the United States or required for foreign policy.

Mr. Truman said in his statement: "I wish it had not been necessary to request a continuation of these controls. But world shortages have by no means been dispelled and the threat of inflation has not been dispelled. The haphazard distribution of our produce throughout the world could only lead to higher prices at home and suffering for the neediest of our friends abroad."

He said it would be the duty of the secretary of commerce (Averell Harriman) to watch the effect upon the domestic economy of the use of the control powers.

Traffic Suits Filed

LISBON, July 16.—Automobile accidents were the basis for two damage actions filed in common pleas court today, in which \$20,000 and \$12,825 are sought for injuries.

John Freeman, operator of a taxi in East Palestine, filed a \$20,000 action against Marjorie F. Bortner of that city, as the result of an accident on Clark st. last Dec. 18.

Percy C. Pratt of North Canton seeks \$12,825 against the Royal Crown Bottling Co. of East Liverpool as the result of a collision of one of the defendant's trucks and his car at the intersection of U. S. Route 30 and Route 170 on Nov. 13, 1945.

Failure To Agree To New Terms, Malvern Mine Shut

CANTON, July 16.—J. H. Thoma and Harry Mottice announced today they were closing their small mine at nearby Malvern indefinitely because of inability to meet provisions of the new contract which the AFL-United Mine Workers signed with mine operators.

The owners handed releases today to 30 members of the UMW employed at the mine and declared "we cannot compete with the big mines and meet all the terms of the new union contract."

Thoma and Mottice objected specifically to a 10 cents a ton levy on coal mined to be allocated to the union's health and welfare fund.

The mine produces approximately 35,000 tons a year.

Leetonia Plant Adds Party Room

LEETONIA, July 16.—The Crescent Machine division has made an attractive addition to their plant on Cherry Fork ave. by remodeling a large portion of the ground floor of the Crescent barn and converting it into the "Stable" meeting and party room.

The room has a home-like appearance with its knotty pine wainscoting, soft-tinted walls and large red brick fireplace. The south and east walls are decorated with printed murals of dogs, deer and other outdoor scenes, while the west wall remains as the original wood and steel bar siding of the old stables.

Light is furnished by several fixtures fastened to two novel "chandeliers" made from large wagon wheels, suspended from the ceiling. Furnished with studio couches, chairs and tables, the room is complete with a kitchenette and small storage room off to the left.

The room will be used for company and union meetings, and at times will be available for meetings that concern civic welfare and public interest.

WAA Offers 340 Surplus Buildings For Schools

CLEVELAND, July 16.—In a program designed to relieve overcrowding of schoolrooms, the War Assets administration will make 340 war surplus buildings available to school officials of Ohio and western Pennsylvania at discounts ranging from 40 to 95 per cent.

About 5,500 educators have been invited to a forum here Friday at which the buildings will be offered for removal from their present sites.

The Plum Brook Ordnance works near Sandusky, O., has 150 of the gram designed to relieve overcrowding. Reynolds, Greenville, Pa., and 90 are at the Keystone Ordnance works, Meadville, Pa.

Good News For Folks Who Suffer From

✓ STOMACH GAS
✓ SOUR FOOD TASTE
✓ ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance.

This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

GREENFORD

Mrs. Ernest Eyrich and daughter, Lois and Martha, attended the wedding of Miss Mary Jo Eddy and Philip Andrew Padach at the St. Edward church, Youngstown, Saturday morning.

Warren Weikart who was taken ill on Saturday, underwent an appendectomy Sunday.

Sixty relatives gathered at the home of Mr. and Mrs. W. J. Weaver Sunday in honor of Mr. and Mrs. George B. Miller of Hynes, Calif. A basket dinner was served.

Mr. and Mrs. John Dangle are the parents of a daughter born at the Alliance City hospital last week. She was brought to the home of

Mr. and Mrs. A. J. Cobbs Monday evening.

Misses Martha Gunn and Martha Eyrich are vacationing in Pittsburgh this week.

About 20 per cent of the nation's passenger cars belong to farmers.

Gas on Stomach

Relieved in 5 minutes or double your money back. When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicine known for symptomatic relief—medicines like those in Bell's Stomach Tablets. No laxative. Bell's brings comfort in a half hour or return bottle to us for double money back, etc.

At City hospital—
A son Tuesday to Mr. and Mrs. Frederick Lodge of 846 E. Third st.
A daughter today to Mr. and Mrs. Victor Kauffman of Leetonia.

Smoke, No Fire
A smoke-filled basement alarmed residents at the Louis Detell home, 374 Newgarden st., at 3:09 p. m. Tuesday and the fire department was called. No fire was found. The smoke evidently came from the furnace.
A car owned by Andrew Ulrich of

• OBITUARY •

MRS. WILLIAMS FUNERAL
LISBON, July 16—Services for Mrs. Kathryn Williams, 29, of 323 Sherman st., who died in the McCannelville sanitarium, Monday, will be held at the Henry Funeral home at 2 p. m. Thursday. Rev. C. L. Cope, pastor of the Methodist church, will be in charge and burial will be in the Lisbon cemetery.
Mrs. Williams was born in Leetonia Feb. 28, 1918, a daughter of Mr. and Mrs. Harry Daugherty. She was a member of the Methodist church there.
Surviving is a daughter, Sandra Kay, her mother, Mrs. John Snyder of Lisbon, her father, Harry Daugherty and a brother, Robert Daugherty of Leetonia, and a sister, Mrs. Robert Applegate of St. Petersburg, Fla.
Friends may call at the funeral home this evening.

MRS. SAMUEL S. WEAVER
COLUMBIANA, July 16 — Mrs. Mary S. Weaver, aged 77, wife of Samuel S. Weaver, 323 N. Main st., died at the Mayhew Rest Home, Salem, at 8 p. m. Tuesday after a four-week illness.
Mrs. Weaver was born in Columbiana April 13, 1870, a daughter of Joseph H. and Maria Esterly Keyser.
Married March 20, 1895, she was a charter member of the Sorosis club, a graduate of Columbiana High, class of 1887, and a member of the Methodist church.
Besides her husband, she leaves a niece, Mrs. Zelda K. Rodgers, and a nephew, Russell V. Karriek.
Funeral service will be held at 2 p. m. Friday at the Fry Funeral home, where friends may call from 7 to 9 p. m. Thursday.

Salem caught fire at the corner of Jennings ave. and E. State st. at 10:45 p. m. Tuesday. Firemen extinguished the blaze.

To Present Play Here
Salem is one of a group of Ohio cities chosen as a location for the production of a popular Broadway comedy, "Dear Ruth,"
Tynell Productions, Inc., a professional company of actors and technicians, plan to bring the play to Salem in the near future. Donald A. Yarnell and Edwin J. Tyjeski, directors, will be here this week to discuss plans.

Tells of Patent Filings
The procedure of filing patents was explained by Francis J. Klemm, Youngstown patent attorney, at the Rotary club meeting Tuesday in the Memorial building.
He said more patents are being filed on electronic devices at present than on any other type invention. T. E. Miller was program chairman.

Salvation Army Program
There will be an informal get-together of all soldiers and former soldiers of the Salvation Army at 7:45 tonight at the Temple corps, 182 S. Broadway.
The purpose is to get acquainted with Capt. John Hansen, the new commanding officer and to discuss the question of organizing a Corps band.

Grange Speaker
Rev. Charles Best, pastor of Concord church, will speak during the lecture hour of Goshen grange Friday evening.
A program of music also will be heard.

Leaves Hospital
Carlos Schellart of Penn ave., who has been in the Central Clinic recovering from injuries sustained when he was struck by an automobile,

Boyle's COLUMN

BY HAL BOYLE

NEW YORK—West coast leaves from a transcontinental notebook: The cuspidor, man's best under-est friend, may be on the wane in the rest of America, but it has many stout defenders in the Far West, where tradition of masculine rights is still cherished.

One champion of the cuspidor is Paul C. Smith, the stocky young

red-haired general manager of the San Francisco Chronicle.

Smith believes the real future of the cuspidor lies in the field of decorative living room art rather than in its present function as floor furniture. He owns three. One, a flowing bell topped model, he keeps in his office—at the usual altitude.

"The other two I turned into table lamps at home," he said. "They make beautiful table lamps. They've the grace of a Grecian urn."

Cautious housewives, who find no possible use for cuspidors except as daring flowerpots, may question the sureness of this unmarried journalist's taste. They wouldn't if they saw his home on Telegraph Hill overlooking San Francisco bay. It's one of the most distinctive on the west coast.

Employing cuspidors for table lamps isn't all unorthodox for Smith, a freckle-faced editor who at 39 is still one of the nation's youngest major newspaper executives—a distinction he's enjoyed for ten years. The only thing commonplace about him is his last name.

He went into the navy as a lieutenant commander during the war, then resigned so he could dive into the Marines as an enlisted man. He got what he wanted; a closeup of Pacific fighting.

He was near enough for the Japs to snipe at his freckles, and came back with a silver star, bought in the battle by bravery.

Cremation is losing popularity in the Los Angeles area.

It rose in fashion a few years ago to a point where 21 percent of the interments at Forest Lawn Memorial park in Glendale were of this nature.

Now only 17 percent of the clients of this widely known cemetery—a favorite with the movie colony—arrange to be converted into ashes. As for the rest:

"Five percent are entombed in

KING HAAKON VISITS U.S. WARSHIP

PAYING A VISIT to the USS New Jersey, flagship of the U. S. midshipmen's practice squadron at anchor off Oslo, King Haakon VII of Norway (shown second from right) reviews the American midships. Walking beside him is Admiral R. L. Conolly, commander of the U. S. naval forces in the Mediterranean and Eastern Atlantic areas. (International)

crypts," said a Forest Lawn representative, "68 percent are ground burials, and the other ten percent are remains we forward to other cemeteries throughout the country for burial."

In Hollywood a writer told me a story to illustrate the transitory nature of film riches among the bigwigs there.

A number of years ago a group of actors and executives in the \$1,000-a-week and up bracket were talking confidently over the bright future before them.

"Well, I would settle for \$100 a week guaranteed for life," said Ronald Coleman. "No matter how much the value of money changes, I could get by on that, either here or in England."

The others laughed at him as a piker.

Today, the writer said, Coleman is the only one of the group still alive who has any real money.

One of the horrors of the current boom around Los Angeles is an inflation-born product called, "The Moron's Delight," a giant sundae selling for one dollar.

This soda fountain opus is to the teen-age male and bobbysox trade what the rum "zombie" drink is to their elders. After imbibing one the juvenile Croesus, pockets empty, staggering home in an ice cream stupor, smelling of walnuts, pineapple, chocolate and marshmallow—and anything else the man had in the syrup pumps.

I turned down a young friend's invitation to surround a "Moron's Delight"—because I could locate no person over 35 years of age who had survived a bout with one.

Accident Kills Dentist

LORAIN, July 16.—An automobile collision caused a cerebral hemorrhage which was fatal to Dr. L. C. Croghan, 58, who practiced dentistry here for 25 years. Dr. Croghan was treated for minor injuries and released at the time of the accident. He died soon after being admitted to a hospital Monday.

DAMASCUS

Leroy and Miss Mattie Kutz of North Georgetown, Marie, Freda, Ruth and Eileen Kutz of Guilford, Mr. and Mrs. James Hinkle, Mrs. Russell Fortune, John Greenstein and Mrs. Janet Davis of Salem called on Mr. and Mrs. William Greenstein Sunday. Mrs. William Greenstein is reported improving, following surgical treatment.

"What a Thrill!"
...to take the wheel of a smart new Oldsmobile!
You've probably heard these words on the radio—these catchy, up-to-the-minute words from the brand new Oldsmobile song.

THE LOWEST-PRICED CAR WITH

*Optional at extra cost

What a thrill! . . . to drive a car so smart in appearance, so advanced in styling, that people turn admiring eyes as you go sailing by.

What a thrill! . . . to drive a car so smooth in performance, so soothing in its cushioned riding ease, that the last mile of your vacation trip seems just as restful as the first.

And what a special thrill! . . . to drive mile after mile, through town and cross-country, without ever shifting gears or

pushing a clutch! That's what motoring is like with GM Hydra-Matic Drive*—the fully proved, fully automatic drive that is available only in Oldsmobile among low and medium-priced cars. Hydra-Matic Drive shifts gears automatically—eliminates the clutch pedal completely. And Hydra-Matic Drive brings stepped-up performance—improved economy—greater safety, too!

No wonder so many enthusiastic owners agree . . . "It's SMART to Own an Olds!"

Until your new Oldsmobile is here...

...let us help you keep your present car in shape. Summertime is vacation time—you drive more often and make longer trips. That's why top-quality service—Oldsmobile service—is particularly important during these next few weeks!

Made for you!

The new compacts by ELGIN AMERICAN have the made-to-order look you cherish in apparel. They're distinguished by a definite personality in design, by precision craftsmanship, and a jewelry finish that sets them worlds apart.

The perfect gift!

Yankees Stretch String To 16 In Cleveland

Dunlap Leads Hitters, While Deming Monopolizes Lists

Amos Dunlap, husky Printz club shortstop, took over the top spot in the National League batting race this week, with a 467 average, although the Deming team continues to dominate the standings.

Dunlap has rapped seven hits in 15 trips to the plate, having appeared in only six games for his club, Bill Kerr, leader at the end of the first round, is holding second spot with a 455 slugging pace. His brother Howard, last year's leader, holds down No. 3 spot with 435. Deming has played only one game thus far in the second round.

The Pumpmakers hold a fancy 78 point lead over their closest team rival, Mullins. Their mark of 340 is

phenomenal for a nine man team. They lead the loop in hits and runs scored, although six other squads have played more games.

Of the first 11 batters in the National loop, five are Deming players.

Deuber Miller, of the Cottage has collected 14 hits, to lead the loop in that department.

CRESCENTS, VFW WIN CLASS A TRIES

Leetonians Have Easy Tim With Jaycees, Vets Hit Mullins Hard Early

Only two games were played before the rain at Centennial park Tuesday night, the VFW measuring Mullins 7-5 and the Crescents easily romping over the Jaycees by a 6-1 margin.

Crescent Hurier Johnny McQuiston had the hapless Jaycees all the way, allowing only three hits. It was never a contest after the five runs in the first two frames.

The VFW started off heavily with five runs and added two in the second to clinch the Mullins game.

Second Guessing

By DON E. BEATTIE
News Sports Editor

GOLF NOTES

With the President's cup tournament well under way now at the Salem Golf club, Dick Dennis yesterday broke Dick Lawrence's heart in a tourney match. Dennis shot a 33-37-70, even par total, to whip Lawrence, who had a usually very good 85. Lawrence said Dennis was "sinking putts from the tee." Dennis had three birdies in the 33 round.

Yesterday's tourney matches also included an affair between Frank Brian and Mike Fritzman.

Fritzman won with an 80, Brian had 93. Fritzman now moves into the second round.

The golf club's women are anxiously looking forward to their annual jaunt down to the Weirton, W. Va., course for an all-day affair Tuesday.

The catch is that they must leave here at 6 a. m. because of the time difference.

In the women's department Mary Brian set some kind of a course record yesterday by stomping off a neat 36 holes. She would have had 39 holes for a day if it hadn't rained.

Lester Kille, who has been out of the golf competition for a month or so because of an injured back, is coming back strong now.

He had a good 43 yesterday, back brace and all. Pro Andy Moccary is "bitching" this week. His wife and family are away for a week.

BY CHIC YOUNG

Another consecutive win streak, perhaps more remarkable if not as spectacular as the Yankees' skin, belongs to Ewell Blackwell, Cincinnati's sensational stringbean right-hander. Blackwell pitched his 14th straight victory last night as the Reds hit the .500 mark with a 5-4 win over the Phillies in Philadelphia.

Pittsburgh's last place Pirates handed National league leading Brooklyn a double setback 12-4 and 9-3 at Ebbets field. Led by Rookie Outfielder Wally Westlake, who drove in seven runs with a base-clearing double and grand slam homer, the Bucs walloped four Dodger hurlers for 10 hits in the opener. They combed three more Brooklyn pitchers for 13 safeties in the nightcap.

With Dave Koslo pitching five-hit ball, the Giants shut out the Chicago Cubs at the Polo grounds 4-0.

Scoring four runs in each of the sixth and eighth innings after being held hitless for five frames by Rookie Walt Langranconi, the St. Louis Cardinals whipped the Braves 8-2 in Boston.

The Tigers, playing to their smallest twilight game crowd of the season—11,378 paid fans—scored four runs in the sixth inning to overcome a 5-4 Washington lead and went on to win 11-6.

Scoring four runs in the seventh inning, the Chicago White Sox downed Tex Hughson and the Boston Red Sox 5-1 in Chicago.

Although he lost his shutout in the ninth inning when Vern Stephens tripled and scored on Jeff Heath's infield out, Phil Marchildon gained his 10th victory when he pitched the Philadelphia Athletics to an 8-1 triumph over the Browns in St. Louis.

TAKE TRIBE TWICE; GET TO FELLER

Big Yanks Nearing Record Of All-Time for Games Won In Row

By JOE REICHLER
Associated Press Sports Writer

One of the American league's most majestic marks—the 19 consecutive victories by the Chicago White Sox, famous hitless wonders of 1906—was threatened today by the New York Yankees.

The onrushing Bronx Bombers now boast 16 straight wins—a mark the old Yankees of Babe Ruth, Lou Gehrig, and Tony Lazzeri reached back in 1926 then were stopped the next day.

The 1912 Washington Senators and 1931 Philadelphia Athletics won 17 straight each, but got no further.

The major league record of 26 straight by the New York Giants of 1916 still is too far off to be given any serious thought.

In winning both ends of a twilight-night doubleheader from the Indians in Cleveland before a huge turnout of 62,355 paid fans yesterday, 9-4 and 2-1, the Yankees got their 16th win at the expense of the great Bob Feller. After copping the opener easily behind the 10-hit hurling of ex-Indian Alie Reynolds.

For eight innings of the second game the majors' strikeout king held the New Yorkers and Pitcher Floyd (Bill) Bevens even 1-1. But in the ninth, Joe DiMaggio reached base and with two out carried the all-important run over the plate when Billy Johnson rammed a triple.

Another consecutive win streak, perhaps more remarkable if not as spectacular as the Yankees' skin, belongs to Ewell Blackwell, Cincinnati's sensational stringbean right-hander. Blackwell pitched his 14th straight victory last night as the Reds hit the .500 mark with a 5-4 win over the Phillies in Philadelphia.

Pittsburgh's last place Pirates handed National league leading Brooklyn a double setback 12-4 and 9-3 at Ebbets field. Led by Rookie Outfielder Wally Westlake, who drove in seven runs with a base-clearing double and grand slam homer, the Bucs walloped four Dodger hurlers for 10 hits in the opener. They combed three more Brooklyn pitchers for 13 safeties in the nightcap.

With Dave Koslo pitching five-hit ball, the Giants shut out the Chicago Cubs at the Polo grounds 4-0.

Scoring four runs in each of the sixth and eighth innings after being held hitless for five frames by Rookie Walt Langranconi, the St. Louis Cardinals whipped the Braves 8-2 in Boston.

The Tigers, playing to their smallest twilight game crowd of the season—11,378 paid fans—scored four runs in the sixth inning to overcome a 5-4 Washington lead and went on to win 11-6.

Scoring four runs in the seventh inning, the Chicago White Sox downed Tex Hughson and the Boston Red Sox 5-1 in Chicago.

Although he lost his shutout in the ninth inning when Vern Stephens tripled and scored on Jeff Heath's infield out, Phil Marchildon gained his 10th victory when he pitched the Philadelphia Athletics to an 8-1 triumph over the Browns in St. Louis.

Cincinnati - 001 210 010-5 9 0

the ninth inning when Vern Stephens tripled and scored on Jeff Heath's infield out, Phil Marchildon gained his 10th victory when he pitched the Philadelphia Athletics to an 8-1 triumph over the Browns in St. Louis.

Jack Cramb, Youngstown College Star, Named To Succeed John A. Cabas

Columbiana High school's football and basketball fortunes for the approaching seasons will be guided by a youthful newcomer to the coaching field, Jack Cramb, 26, of Youngstown, Supt. G. R. Richmond announced today.

Succeeding John A. Cabas, who recently resigned after three years at Columbiana to accept the head basketball job at Case Tech, Cleveland, Cramb will be making his debut as a head coach in the High school field.

The 25-year old former Youngstown South High football and basketball star accepted the vacated position today after conferring with the Columbiana board of education and superintendent Monday night.

Cramb played quarterback for Coach Dike Beebe's Youngstown college Penguins last season. He returned to college last year after serving in the army for two and a half years.

The youthful mentor weighs about 155 pounds and stands five feet 11. Stepping into the Columbiana job, where Coach Cabas's basketball teams have compiled an unbelievably top record over the past three years and football teams have been beaten only five times in three seasons, is no easy task.

Last season's Clipper basketball team lost only one game and captured the state Class B title. The previous year the team lost just two games and in 1914 Cabas's undefeated team went to the state final Class B game, losing to Northridge High.

Cramb's only actual coaching experience came last season when he assisted Coach Cyril James, at Youngstown Ursuline High school during the basketball season.

He is a native of Youngstown and is a graduate of Youngstown South High, graduating in 1940 after several years of varsity play in football and basketball.

Cramb played at Youngstown college the 1941-42-43 seasons before entering the army air force, in which he became a staff sergeant in charge of physical training at Fredericks field, Okla.

He returned last fall and played basketball for the 46 season. He won three varsity letters at Youngstown college in both basketball and football.

Cramb has been married since he was in service and has a 14-month old son. He plans to make his home in Columbiana.

Local Pilots Plan Overnight Flight

All aircraft owners and pilots at Miller airport, North Benton, are planning an overnight out-of-state air trip.

The place has not yet been selected. The next two weeks are open for suggestions by participating pilots. It is proposed that a place be selected at a beach resort with suitable landing facilities where is provided a varied type of entertainment, lodging and meals. All airport tenants are invited.

Any neighboring aircraft owners wishing to participate are also welcome, and are urged to contact Miller airport, North Benton, phone Park 235. Miller is making available to licensed pilots patronizing Miller field all his equipment on an expense only basis for the trip. Indications are that there will be 12 to 15 aircraft, 25 to 30 persons from Miller field participating in the flight.

Pilots are again urged to offer any pertinent suggestions as soon as possible.

Lost 3 Husbands In Air Crashes, Dies With Fourth

HOUSTON, Tex., July 16.—The ill-fated luck of Mrs. Joyce McKinnon's four husbands finally touched her, the 26-year-old woman's grandmother, Mrs. Emma Schultz, said here today.

Mrs. McKinnon lost her life in the DC-3 crash Sunday near Melbourne, Fla., along with her fourth husband, Roderick Paul McKinnon, co-pilot of the craft.

Her first three husbands also perished in air tragedies.

Her first husband, a flying instructor at Pensacola, Fla., was killed shortly before the war when he and a student crashed to their deaths.

The second, an army pilot, was lost at sea during a routine flight off the east coast during the war.

Her third husband, an army pilot assigned to troopship escort flights during the war, crashed to his death while assigned to a special training unit.

Gas Supply Next Winter Will Be More Adequate

PITTSBURGH, July 16.—A more abundant gas supply for western Pennsylvania next winter was forecast today by gas company officials—especially if a new, yet-to-be-tested pump proves successful.

Warning that shortages still may harass householders in severe cold periods, President Edward M. Borger of the Peoples Natural Gas Co., said the pump, if proven efficient, will push up the capacity of the "Big Inch" and "Little Inch" pipe lines, purchased from the government by the Texas Eastern Transmission Co., to 340 million cubic feet daily.

Borger said this "will be distributed to Pittsburgh and various other areas of Pennsylvania, Ohio, West Virginia and New York.

REPUBLICANS STUDY FOREIGN PICTURE

WASHINGTON, July 16.—House Republican leaders today pledged an independent congressional survey of the military and economic picture abroad before proceeding with any sweeping foreign legislation for 1948.

The investigation will be made under terms of a resolution being drafted at the direction of the house GOP steering committee. It will be conducted by a special committee to be appointed by Speaker Martin (R-Mass).

Marshall said Republicans believe that congress should go after its own data before acting on the Marshall or any other foreign plans and should not depend solely on information supplied by executive agencies or committees.

He said the special investigating body will include representatives of the house foreign affairs, armed services, appropriations, agriculture and other committees having jurisdiction over matters likely to be involved in any comprehensive foreign program.

Steel Output Will Gain In Youngstown District

YOUNGSTOWN, July 16.—Three steel concerns in the Mahoning valley district reported increased output today as 19 blast furnaces went into operation.

Youngstown Sheet & Tube Co., Carnegie-Illinois Steel Corp., and the Sharon Steel Corp.'s Farrell works put additional furnaces into operation after closing some during the miners' vacation.

In addition to the 19 blast furnaces, 55 open hearths and two Bessemer converters also are making steel in the valley.

Flashes Of Life

ST. LOUIS, July 16.—Sgt. Henry Kramer and Patrolman John Mahoff—stalwart veterans of the St. Louis police force—had recovered from the excitement today.

But an elusive trespasser gave them a few bad moments. Answering a radio call, they sped to investigate reports of a prowler. They were greeted by terrified shouts from an upstairs window: "The burglar ran through the downstairs hall."

Snapping on flashlights and unholstering revolvers, the officers raced through the hall into the backyard. It was a hard, long chase, but the law was victorious.

But to show it harbored no hard feelings, the prowler duck laid a big egg for the cops' breakfast.

LONDON — A Reuter dispatch from Athens reported tonight that 60 captured members of the insurgent army that attacked Donitza "did not speak Greek."

Latest messages said the attackers were being held down some miles north of Konitza. The local commander said he had sufficient troops to control the situation.

CHELSEA, Mass.—Miller Mitchell, 14, is just old enough to visit the Chelsea memorial hospital without being accompanied by an older person.

Today Mitchell planned to visit his new born six pound, 10 ounce daughter at the hospital for the first time.

The baby, born yesterday, and its 15-year-old mother, Shirley, were reported doing nicely. Mr. and Mrs.

Now You Can Install a GAS-Fired INCINERATOR—

AT AN EXTREMELY
LOW COST

TORCH-TYPE BURNER

Designed to assure maximum efficiency at low fuel cost the torch-type burner quickly consumes all tablewaste, rubbish and trash. The ashes may be sprinkled on your lawn and garden and are extremely beneficial because of their lime and potash content.

ONE PENNY'S worth of GAS

burns three days accumulation
of trash and garbage

You'll wonder how you ever got along without the convenience of a Gas incinerator when you find how little it costs to install and operate. It actually uses an insignificant amount of gas. For a few pennies a week you can have the convenience of gas incinerator garbage disposal.

NATURAL GAS CO. of W. VA.

188 N. Lincoln Avenue, Salem, Ohio

Phone 4616

Trade Trash for Comfort

No More Trips to the Garbage Can
in Rainy, Sloppy Weather

Yes, the Gas-fired incinerator completely eliminates this daily drudgery. No more unsightly garbage cans and muddy trips to the back yard in all kinds of miserable weather.

No More Backlot Bonfires and
Trash Piles of Rubbish

The Gas-fired incinerator is designed to quickly consume all rubbish and trash—food wrappings, newspapers, rags and garbage. When you have a Gas incinerator, you eliminate the fire hazard of combustible rubbish accumulations.

No More Damp and Chilly Basement
Now you can have a dry, warm laundry room for the children. Because a Gas incinerator helps to rid your basement of unhealthy chill and summer dampness. If you have a workshop in your basement, you'll appreciate your incinerator for protecting your tools from rust.
